FREQUENTLY ASKED QUESTIONS

WHAT IS INCLUDED IN EACH TOUR?

Transportation by American school bus for the whole duration of the tour. According to your selected menu, the price includes three courses (starter, main course, dessert) or, for the "special" tour, the adjustments of the respective menu as well as the life show in between meals are included.

On top of that, we guarantee you a friendly and professional service on board. We serve all kinds of drinks such as Coca-Cola, fruit juices, water, draft beer, wine, but also hot drinks such as tea or coffee while having the desert. You can drink as much as you want without having to pay an extra fee.

DO THE GUEST EAT INSIDE THE BUS?

Yes! Each dish is served inside the bus by waiters from the respective restaurant. After you finished your first course and the dishes are cleared, we continue our route towards the next restaurant.

WHAT ABOUT DIETARY RESTRICTIONS? ARE THEY TAKEN INTO CONSIDERATION?

Of course, we take dietary restrictions into consideration. The only thing we ask you to do at least one week prior to the event is to let us know about your special wishes when you book your place (online, via phone or e-mail). We will then share your request with the chefs from the different restaurants. They are happy to offer you an alternative menu.
